I'm an avid sports fan (Riders, Raptors, Blue Jays).

I grew up in a Christian family and accepted Christ into my life at a young age. I have been failing, learning, and growing in what that means for the past 40+ years.

ADAM BRADLEY

Board Nominee

What are your thoughts on the Mission, Postures, and life of Lakeview Church?

I believe that we are all called to join God in the renewal of his creation. The postures of Lakeview provide a good framework for discovering my place in and being a part of His work.

In general, I agree with the beliefs and approaches that the Free Methodist Church in Canada stands for.

Are you presently giving financially to the work of Lakeview Church?

Home church, regular church attendance, Men’s breakfast.

What experience do you have with the process of policy-making procedures?

At work, I am required to collaborate with other members of the leadership team to develop, implement, and evaluate policy that will impact the rest of the company.

Tell us about your familiarity with the Carver Model of Governance.

I do not have any direct experience with the Carver Model. Having read the summary of its methods, I don't anticipate having any issues working within its guidelines.

What two personal strengths do you think you would bring to the Lakeview Board?

I feel I will bring an analytical approach to decision making and a calm/levelheaded disposition.

What aspects of being a Board member do you expect to find challenging?

I think the biggest "challenge" will be learning the ins and outs of the culture and relationship within the existing Board and adjusting to find my fit within its structure. I don't foresee this being a long-term or significant challenge.

Have you ever served on the Lakeview Board before?

No.

CARLY PRIEBE

Board Nominee (re-elect)

Tell us a bit about yourself.

I am a mom to four amazing kids including a 12 year old, 10 year old, and 3 year old twins who keep us very busy. My husband, Tyler, and I have been married for 16 years and we've enjoyed being a part of Lakeview through our college and career years and as we've grown our family. For work, I am a Lecturer Faculty member on campus teaching university classes in the College of Kinesiology. I also own Transition Sport and Fitness, which focuses primarily on triathlon and Pilates training. Triathlon has been a big passion of mine throughout the years (I've coached and competed internationally in my "younger years") and I love introducing new people to the sport.

How did you become a Christ follower?

I went to a Catholic elementary school and to summer camps like Kadesh and I remember committing to follow Jesus as a young child and then growing in my faith when my family started attending Lakeview. Serving in various capacities (e.g., the Bridge, volunteering in Belize, Hands at Work) helped to further grow my faith as I became a young adult.

How long have you been attending Lakeview Church?

30 Years.

CARLY PRIEBE

Board Nominee (re-elect)

What are your thoughts on the Mission, Postures, and life of Lakeview Church?

I really appreciate Lakeview's Postures as they allow us to be rooted in who we are and in God's story as we also look to how to engage in the world around us. I love the mission to look for opportunities to join in God's renewal work. As for the life at Lakeview, I feel like it's been intertwined with our lives as our kids have grown up in kids ministries and I've been a part of home church for over 20 years. Lakeview can feel very big at first, and I remember feeling that way when I first attended, but the more one gets involved the more opportunities to feel connected arise.

What are your thoughts on the Free Methodist Church in Canada?

I've learnt a lot about the FMCiC over the past 6 years on the board. It's been neat to see the election of a bishop and to hear about the conference from our delegates. I appreciate our history as a denomination that takes a stand against injustice.

Are you presently giving financially to the work of Lakeview Church?

Yes.

CARLY PRIEBE

I believe I hospitality and making others feel a part of a group is a skill I have. Over the recent years, I've also grown into more leadership roles.

What ways are you involved in community at Lakeview?

Home Church is a big part of our relationships at Lakeview and our kids are connected in Lakeview Kids and Lakeview Youth.

What ministry areas have you served in at Lakeview?

I served in children's ministry for about 15 years, I taught weekly Pilates to moms during our open gym for a handful of years, I was also part of the volunteer leadership who started back up college and career about 20 years ago, I've led a home church, and I've been a part of partner organizations like Sons and Daughters and Hands at Work.

CARLY PRIEBE

Board Nominee (re-elect)

What experience do you have with the process of policy-making procedures?

I've sat on numerous non-profit sport governing boards as well as academic boards or committees at the university. I've now been on the Lakeview board for 6 years.

Tell us about your familiarity with the Carver Model of Governance.

I was first introduced to the model 7 years ago when I started on the Lakeview board and have since grown to understand it's application at a deeper level. Having a board who supports the church leadership to lead feels like a really good way to approach governance in Lakeview's context.

What two personal strengths do you think you would bring to the Lakeview Board?

Leadership and mentorship. My hope would be that this one year extension helps to transition a new chair into the position to lead Lakeview in the coming years.

What aspects of being a Board member do you expect to find challenging?

The time commitment, while not overly high, is still a challenge for me as things are quite busy for our family with young kids.

Have you ever served on the Lakeview Board before?

Yes - 2 x 3 year terms.
